

**Name: Dr. Sucheta**

**Designation:** Research Associate

**Center of Innovative and Applied Bioprocessing (CIAB)**

(A National Institute under Department of Biotechnology, Government of India)

Center of Innovative and Applied Bioprocessing

Knowledge city, Sector - 81, SAS Nagar,

Mohali-140306 Punjab, India

Date of Joining: 4th May, 2018

E-mail: [suchetakkr@ciab.res.in](mailto:suchetakkr@ciab.res.in)

---

### **Education:**

**Ph.D.:** Food Science and Technology (2018), CCS Haryana Agricultural University, Hisar

**M.Sc.:** Food Science and Technology (2013), CCS Haryana Agricultural University, Hisar

**B.Sc.:** Biotechnology, Chemistry, Zoology (2011), Kurukshetra University, Kurukshetra

**Area of Specialization:** Post-Harvest Management of Fruits and Vegetables

### **Current Responsibility at CIAB:**

“Innovation and Development of Technologies for enhancement of shelf life of tomatoes”

### **Previous Work Experience:**

- Assistant Professor, Department of Food Science, MCM D.A.V. College for Women, Chandigarh.
- Senior Research Fellow, Agricultural Engineering Division, Indian Council of Agricultural Research, KAB-II, New Delhi.
